- **Chi siamo e dove siamo**

- Fast è stata fondata nel 2002 dall'idea di un team tecnico motivato ed orientato al business nel settore delle trasformazioni per LCV.
- Fast ha organizzato la propria struttura con un team flessibile, altamente qualificato ed integrato con partners esterni specializzati nel settore delle trasformazioni su veicoli commerciali “leggeri”.

• Chi siamo e dove siamo

o Dati dimensionali

- ✓ Stabilimento 5.000m²
- ✓ Area stoccaggio 7.000m²
- ✓ Palazzina Uffici 500m²

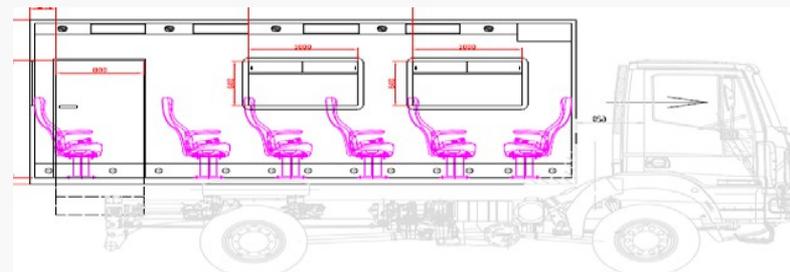

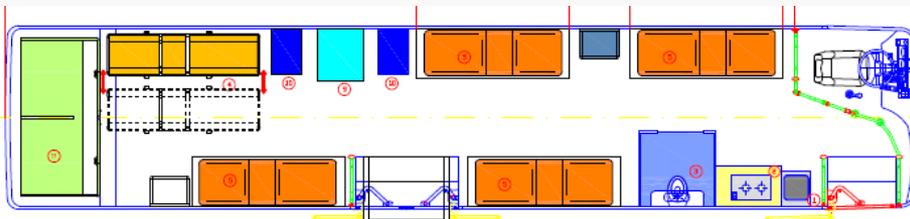

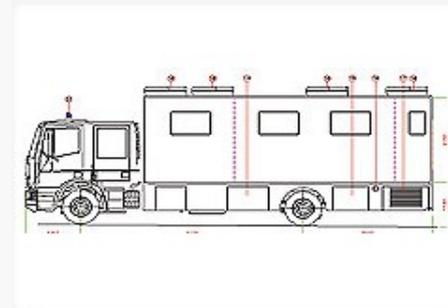

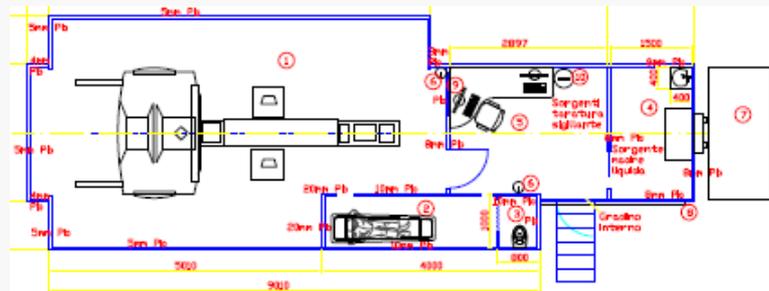

• Chi siamo e dove siamo

o Certificazioni

- ISO 9001/2008
- ISO 14001
- EN1789 D.M. 553/87
- Codice Fornitore Fiat

A partire dalle esigenze del cliente progettiamo e realizziamo soluzioni completamente personalizzate per veicoli nuovi o già allestiti

- **Chi siamo e dove siamo**

- Il Sito produttivo della FAST si trova nel Distretto Industriale della “Val di Sangro” (Atessa – Chieti), vicino a primarie realtà manifatturiere del settore automotive: Sevel (sito produttivo del gruppo Fiat-PSA dove viene prodotto il Fiat Ducato, il Citroen Jumper ed il Peugeot Boxer)

- Chi siamo e dove siamo

• I nostri Prodotti ed i nostri Clienti

Siamo specializzati nella trasformazione e nella realizzazione di Veicoli Speciali.

Abbiamo sviluppato e prodotto allestimenti per le seguenti applicazioni:

- Soccorso sanitario
- Protezione civile
- Esercito
- Disabili
- Mini-Bus
- Cliniche/Officine/Unità logistiche Mobili

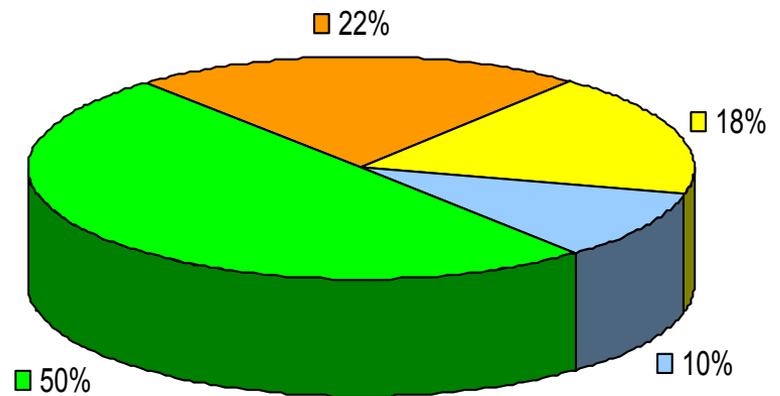

Il nostro servizio inizia dalla progettazione e prototipazione della soluzione proposta per poi realizzarla e curarne la spedizione. Supportiamo i nostri Clienti anche dopo la consegna grazie ad un efficiente e qualificato Servizio di Assistenza Tecnica post-vendita. Grazie a Partnership locali siamo in grado di
